

Tough on Germs Gentle on the Hands

ALL DAY PROTECTION

Vytis Shield Hand Sanitizer provides extended protection between hand washings, closing the gap in infection prevention, with proven efficacy for up to 12 hours after one application.

ALCOHOL FREE

The alcohol-free foaming solution will not dry out hands with frequent use reducing complaints about skin sensitivity and encouraging hand hygiene compliance.

KILLS 99% OF GERMS

Proven to be effective against MRSA, Norovirus, Rhinovirus, Influenza, Enterovirus 71, C.Diff, E. Coli, yeasts & common microbes.
